INTRODUCTION

The Raise Academy is passionate about achieving the best possible outcomes for our students. We will always endeavour to work in partnership with parents and carers. Our open door policy and various lines of communication ensure parents/carers have immediate access to the support and advice they need to ensure their child is attending school regularly. Regular attendance promotes achievement and progress. Regular attendance also supports safeguarding and reduces risk.

As a Mental Health specialist school, we understand that there will be times that students do not feel emotionally or mentally able to attend school, in these circumstances The Raise Academy will support parents and students. The Raise Academy will work alongside parents/carers, students and other agencies to ensure that all students have access to the right support. We will aim to put strategies in place to ensure students feel able to attend school and recognise it as a safe space. Staff at The Raise Academy will encourage regular attendance and ensure that learning and progress can successfully take place.

EXPECTATIONS

The Raise Academy expects students to:

- Attend school regularly
- Arrive on time, appropriately dressed (See Home – School Agreement) and prepared for the day
- Arrive to lessons on time
- To conduct themselves appropriately
- Respect themselves, each other and all adults, aswell as the school environment.

The Raise Academy expects parents/carers to:

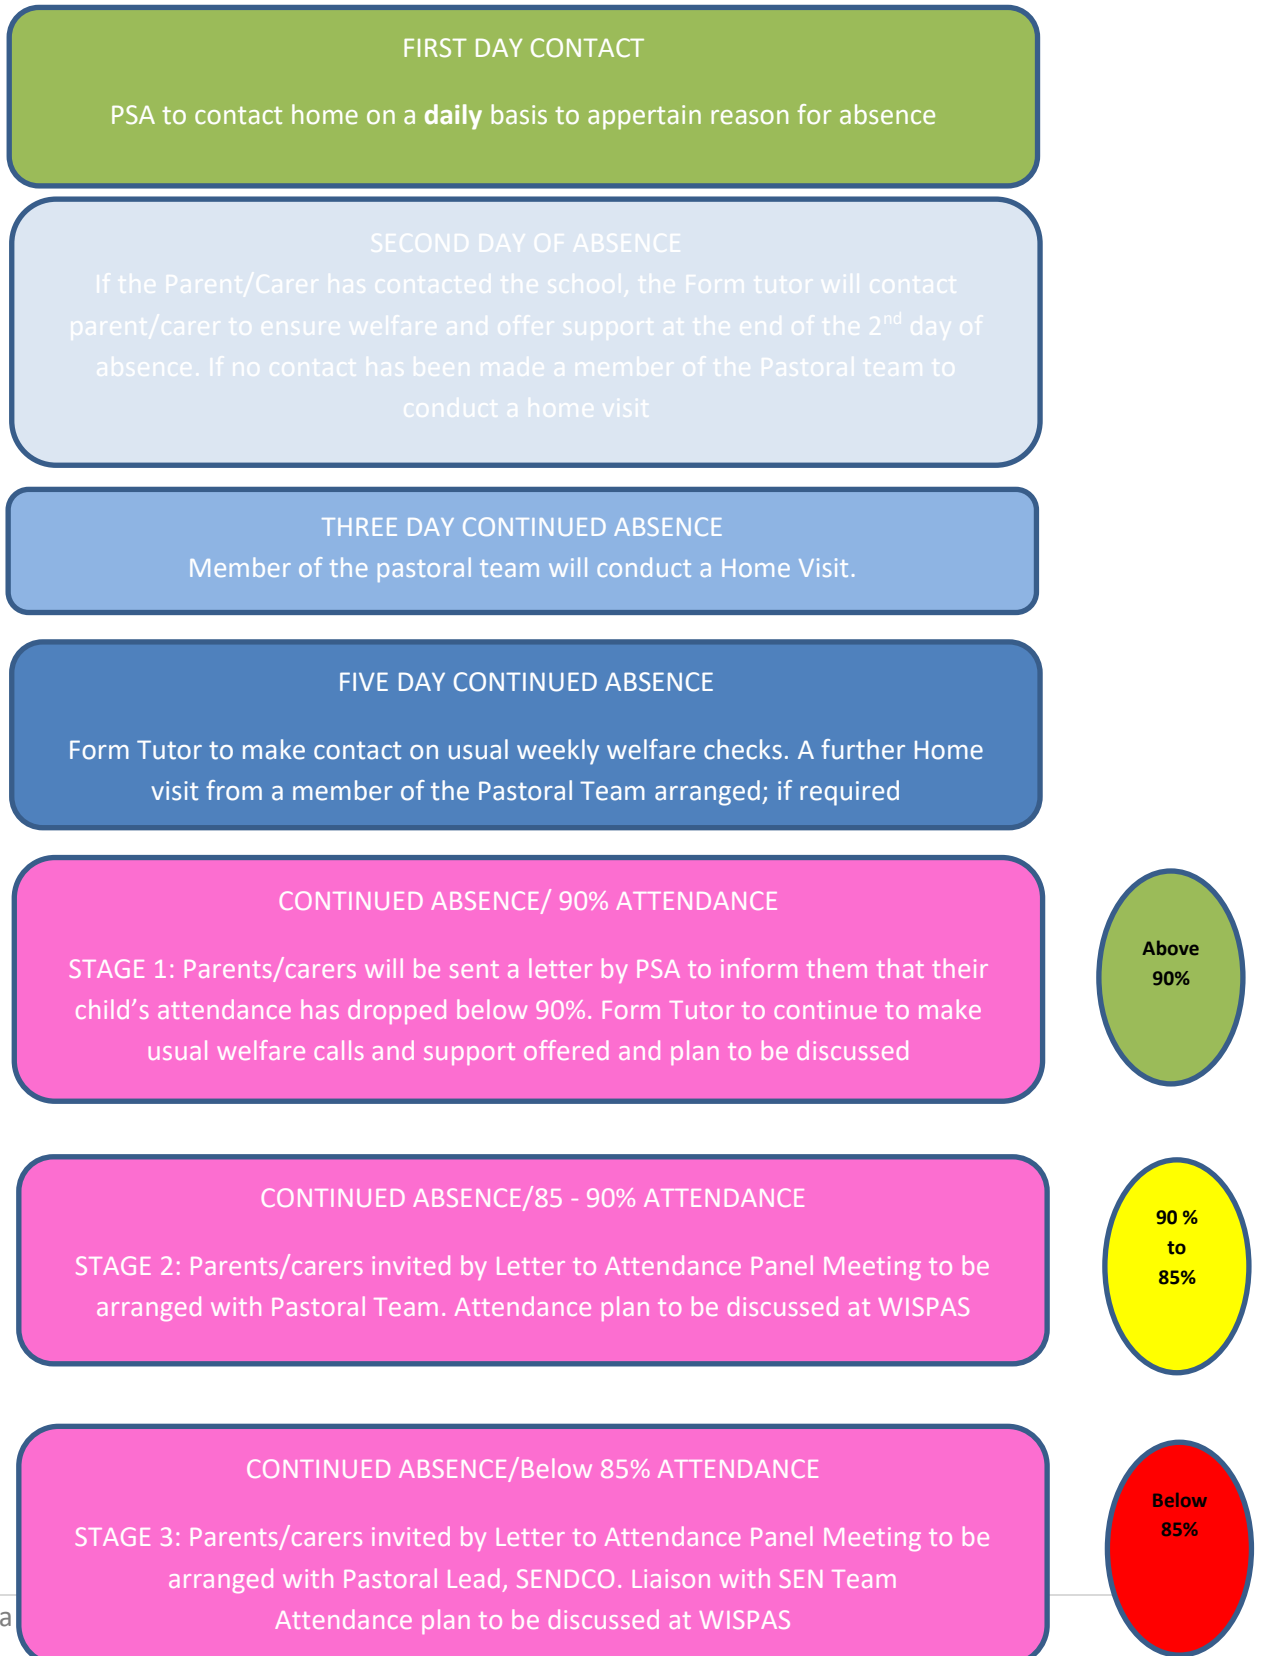

- Encourage their children to attend school
- Contact the office immediately if their child cannot attend school
- Send a note, medical card etc. to the school on return from sickness or absence
- Contact the school immediately if they become aware that their child is reluctant to attend school

Students and parents/carers can expect The Raise Academy to:

- Ensure that there is regular, efficient and accurate recording of attendance and time keeping as a statutory and legal requirement
- Contact home on first day of non-attendance
- Establish early contact with the home when a pattern of lateness emerges
- Act immediately on any problem notified to us
- Maintain confidentiality
- Provide positive measures to encourage good attendance
- Provide support for Students - to ensure a broad and balanced curriculum which supports personal, social, emotional, acedemic and moral development
- Provide a welcoming, safe and nurturing environment in which each student valued and supported
- Build and maintain effective partnerships between the school and its parent/carer body, external support agencies and the wider community

HOW WILL THE RAISE ACADEMY DEAL WITH ABSENTEEISM?

The Raise Academy uses a computerised registration system (Arbor) to monitor students' attendance. The Raise Academy will identify students whose attendance is a cause for concern. These students will be targeted to receive additional support from the school and/or relevant external agencies. The following chart shows how The Raise Academy will respond to absence;

ATTENDANCE PLAN TO BE MONITORED AND REVIEWED WITH PARENTS

Support strategies to be offered to parents where appropriate. Support from outside agencies accessed where appropriate
Attendance plan to be discussed at WISPAS

COMPLEX NEEDS /PARTNERSHIP PLUS

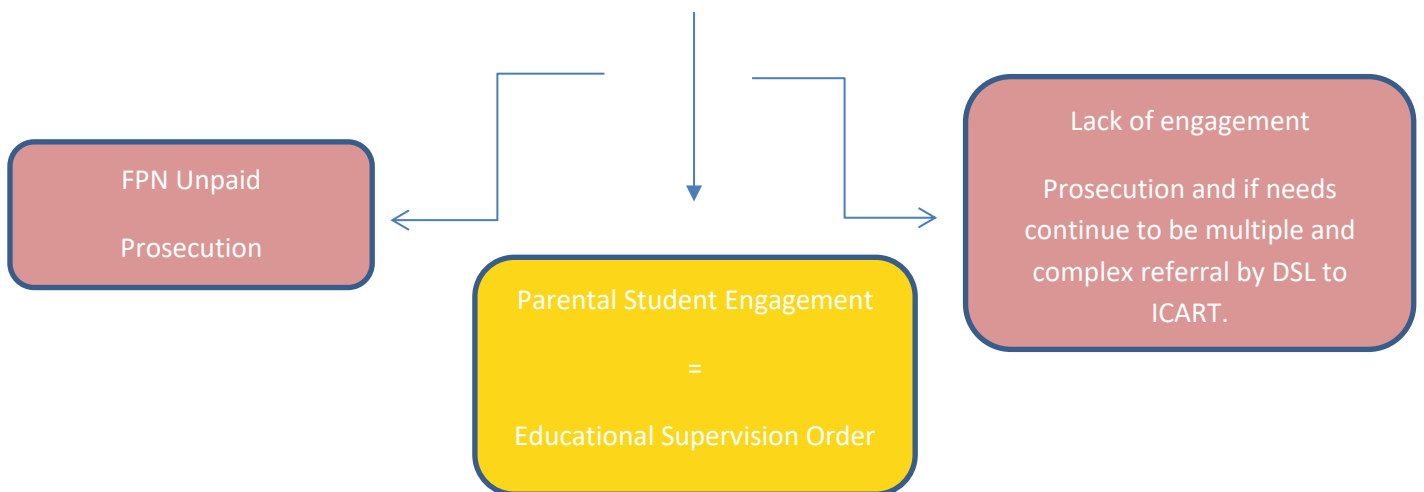

MAP to be offered, if not already in place.

Multi-Agency approach to support regular attendance monitoring meetings to be held in between

Contract failure, disguised compliance or Early Help refusal and continued absence.

Work with LA to explore Fixed Penalty Notice

Contract failure, disguised compliance or Early Help refusal and continued absence

Attendance Reviews

Attendance will be reviewed by staff regularly and letters will be sent to parent/carer at various trigger points. If a child's attendance drops below 95%, 90% and 85%. If a child's attendance drops below 85% parents/carers will be asked to attend a meeting in school and the LA will be informed.

Extenuating Circumstances

If there are extenuating circumstances resulting in absence and families are engaging with the school and external agencies families will **NOT** be fined and the case will not progress to FPN or following stages. Progression through each stage will be monitored, assessed and evaluated on a case by case basis and will be at the discretion of the Headteacher.

FURTHER INFORMATION

The Anti-Social Behaviour Act 2003

Section 23 of the Act gives powers to the local authority to issue Penalty Notices where a parent/carer is failing to ensure their child's attendance at school.

What is a Fixed Penalty Notice?

Under existing legislation, parents/carers commit an offence if a child fails to attend regularly and the absences are classed as unauthorised. A Penalty Notice is an alternative to prosecution, which does not require an appearance in Court to secure an improvement in a student's attendance. Payment of a Penalty Notice enables parents to discharge potential liability for conviction.

What Are the Costs?

Payment within 21 days of receipt of a Notice is £80 and £160 if paid after this but within 28 days.

How Are They Issued?

By post to the home address or delivered by a member of staff from the Halton Children's' Services Team.

PUNCTUALITY AND LATENESS

School starts at 9:30am students are expected to be in Form for this time, school opens its doors from 9:15am and students will be provided with breakfast on arrival. Students must attend school on time for morning registration. After this time the register will be closed.

After 9:50 a late mark will be inputted by the school office. Students who arrive after this time will have to provide a reason for lateness and will receive a late mark in the register. Parents/carers will be notified if a recurring pattern of lateness develops. If lateness persists, further action will be taken and parents/carers invited in for a meeting to discuss the reason for the lateness. Procedures to be followed in the case of persistent lateness may involve external agencies.

As the majority of students will be transported to school by taxi, lateness caused by a taxi company will not result in the student receiving a late mark. Any issues of this kind will be resolved between school and the transport company.

INTERNAL TRUANCY

All students are expected to have a mark in the register for AM and PM sessions and be present for the duration of the lessons unless they are absent or have other authorised circumstances i.e. a meeting, counselling, mentoring or a medical or dental appointment. Due to the nature of our school we understand that there may be reasons, due to their health that students cannot manage a full timetable, this, again will be assessed, evaluated and monitored by staff and SLT to ensure that students needs are fully met and taken into consideration. Any amendments to timetables or the school day will be at the discretion of the Headteacher or Deputy Headteacher.

Internal and external truancy will be monitored daily by The Raise Academy staff. Where appropriate, concerns are to be raised by class teachers in the first instance for further action.

Letters will be sent to the parents/cares of persistent truants along with lesson registers. Meetings will also be organised with the student to discuss their attendance to lessons with our Pastoral Lead or their key workers.

If truancy continues, parents/carers will be invited in for a meeting. Depending on the outcome of meetings, an action plan will be drawn up and appropriate strategies implemented to support the student. This may include interventions, time out provisions or revision of timetable.

POSITIVE MEASURES TO IMPROVE GOOD ATTENDANCE

The Raise Academy will seek to encourage good attendance and punctuality with the student through tutorial work and assemblies. Good attendance will be seen as an achievement in its own right and recognised as such with rewards such as certificates and prizes.

Students will be rewarded with certificates termly and annually for achieving 100% attendance. There will be a permanent display of students who achieve 100% attendance for a half term. The Raise Academy uses a point based system as one of the methods used to reward students. Students who achieve high levels of attendance will be awarded through the points system in the form of additional points and or privileges.

ATTENDANCE AND PUNCTUALITY INTERVENTIONS

The Raise Academy will use a variety of interventions to address issues of attendance and punctuality. The Academy will work both independently and with Halton Local Authority in establishing the correct intervention to be applied.

Persistent non-attendance (internal truancy)

The Raise Academy

Widnes

Dear Parent/ Carer,

Re: Persistent non-attendance of lessons

Having carried out a review of lesson attendance I write to inform you that your child's attendance this term has fallen well below acceptable standards for The Raise Academy students. Whilst s/he has been turning up for school most mornings s/he is spending a significant amount of time avoiding lessons by wandering corridors and outdoor areas. This wandering has now reached the point where it is having a negative effect on both _____ and other students in the school.

I will be working with _____ tutor over the next week or so to set attendance targets for _____. We will also discuss what further support can be put in place. Hopefully this will be enough to improve her/his participation in lessons. We are keen to achieve the best possible outcomes for our students, if _____ is unwilling to engage with our support then progress will be difficult to achieve.

I trust I can rely on your cooperation in this matter and would ask that you speak with _____ about her/his future conduct. If you have any questions or would like to meet with somebody to discuss _____ current school experience, please contact me on the number above.

Yours sincerely,
